### **Moko launches Champagne & strawberry Truffles**

Online chocolate retailer Moko Chocolates.co.uk will launch the latest addition to its chocolate truffles range at the beginning of February. The luxury Champagne and Strawberry truffles make an ideal Valentine's gift for chocolate lovers, with a creamy white chocolate case filled with smooth Marc de Champagne and strawberry truffle filling.

The new chocolates join the current range of boxed truffles, available in three sizes ranging from 'Moko Selections' containing twelve chocolates to 'Chocoholic Selections' with a choice of thirty truffles for true chocolate lovers.

Belgian chocolates are a classic Valentine's indulgence for both men and women. Other Moko Chocolate ranges include assorted, dark and milk chocolates, each with luxurious fillings including the 'Jam-Boree' with a butter cream and apricot jam filling, or the dark 'Coco-Loco' with bitter ganache and Cocoa nibs. All Moko boxes include free delivery, perfect for surprising a loved one with an unexpected chocolate treat or if you can't be with them this Valentine's Day.

Moko Chocolates start from £11.99, including a personal Valentine's greeting; all sent out in gift boxes which fit through most letterboxes and provide a safe home for the chocolate treats during transit. All purchases are covered by a no quibble Moko quality guarantee and customers can collect 'Moko Stars' reward points with every purchase.
