### **Moko Chocolates launches luxury Truffle selections**

Mokochocolates.co.uk has added a new collection of luxury Belgian truffles to its boxed chocolate range. The online chocolate company which launched earlier this year has developed the new truffle selections on the run up to the festive period.

The latest range is a balanced assortment of milk, dark and white chocolate truffles, each selected for its distinctive taste and creamy centre. Chocolate creations include the 'Dandy Brandy' with the warmth of Cognac and the 'Snowball' with a smooth white ganache centre. Chocolate gifts are available in three box sizes ranging from 'Moko Selections' containing twelve chocolates to 'Chocoholic Selections' with a choice of thirty truffles for true chocolate lovers.

Dan Turner, Commercial Manager at Moko comments; "The new range has been developed following customer comments and the truffles are fast becoming one of our best selling products. We have been overwhelmed with positive feedback so far, and are hoping the truffles will be as popular as our other boxed chocolates."

Moko Chocolates start from £11.99, include free first class U.K. postal delivery and a personal greeting; all sent out in gift boxes which fit through most letterboxes and provide a safe home for the chocolate treats during transit. All purchases are covered by a no quibble Moko quality guarantee and customers can collect 'Moko Stars' reward points with every purchase.
